DISCLAIMER

Guidelines

We advise that you 'DO NOT' do any of the following:

Obstruct roads, pathways, or doorways.

Touch other people's property without gaining their approval, ie Do NOT put leaflets through car windows, pop leaflets into people's bags, prams etc.

Follow people if they walk away from you, as this can be classed as harassment.

Leave leaflets on cars or anywhere else without permission, as this can be classed as littering.

Use any obscene language - Educate NOT Isolate.

Do anything that can be deemed as vandalism, such as drawing on footpaths, or car parks etc, or attaching materials to private property, even if this is easily removable, such as the use of chalk, as we must remain professional at all times.

Track protests - Please consider the greyhounds and their welfare - We strongly advise you do NOT touch or obstruct vehicles carrying animals as this may frighten the dogs and can be taken very seriously.

To comply with specific laws that protect children, please refrain from taking photographs of children unaccompanied by a parent or guardian. We strongly advise that children under the age of 18 do not attend protests without a guardian or adult accompanying them.

All greyhound tracks have CCTV and any actions deemed as illegal, may cause action to be taken against the whole of a protest, and could even introduce an injunction against regular protesters.

What we advise you to do

We advise that at least one member of every organised protest, captures video footage throughout a track protest, as this can substantiate the innocence of any person accused of a crime.

Please act within the law at all times. Caged Nationwide have to work within the law, and are fully aware of the possibility of infiltration within the anti-racing movement, and therefore cannot be expected to conceal any information forwarded to them if a crime is committed.

Please do take full responsibility for your animals at all times, by making any necessary provisions for them, and, if possible avoid taking them to greyhound track demonstrations where they may be exposed to people who are intoxicated, crowds and loud noise.

The above information is provided to help protect the anti racing movement as a whole.
